## President's Message

I hope to see all member groups represented at this season's ACT-CO Gala. Maureen Lukie and her team are working hard to make this a special event and have some ideas to make it more interesting and fun. The Festival has been going well and it would be great to see the spirit continue by a well attended Gala.

I would also like to draw your attention to the workshops announced by Sean Houghton and hope members will take advantage of the opportunities to enhance their craft. I should also mention the Summer Courses offered by Theatre Ontario, details are available at the website:

<http://www.theatreontario.org/>

Once again we are looking to increase membership of the ACT-CO Board, if you would like to help us put together the programmes that ACT-CO produces, please contact me and I will give you all the necessary information. Don't be shy - we need your help.
