## President's Message

September marks the season opening for some of our member theatres. Others, with summer vacations now behind them, begin more regular and intensive rehearsals as they launch another season. The breadth of community theatre in our region is really quite remarkable. For 2009-2010, why not visit an ACT-CO theatre that you've never been to before? Last year, I made my first visit to two more ACT-CO theatres; besides getting to see new artists and great shows, it's always worthwhile to see how another group handles the unique challenge of their performance space, or to read through a program to see the way they reach out to their audience and connect with their community.

Communications has been difficult for us over the summer. The actcopresident@actco.ca email address (that I encouraged you to use in the last newsletter) has not been working properly, so if you tried to reach me through that email, I'm afraid I didn't get it.

Thankfully, actcofestival@actco.ca seems to be working fine. Preparations for Festival 2009-2010 are underway, and applications are coming in. Even though the packages went out later than usual, we decided to keep the opening date of Festival the same as several groups contacted us last year requesting that (slightly) earlier start. The deadline is September 20... don't leave your application to the last minute or you may not be able to get your preferred adjudication dates.

This is the last newsletter that goes out to members who have not yet renewed. If your membership is still outstanding, get your \$75 in to John Wyman as soon as possible.

With changes to the ACT-CO Board every year, your personal Board liaison may have changed for 2009-2010. By the time you read this, hopefully they have been in touch with you. We will be publishing the updated list in the next issue.

Cheers,  
Brandon Moore  
ACT-CO President
